

GLAAD Accountability Project and transgender people

American LGBTQ media watchdog [GLAAD](#) relaunched the GLAAD Accountability Project (GAP) in 2021, an update of the 2012 version.

GAP “monitors and documents individual public figures and groups using their platforms to spread misinformation and false rhetoric against LGBTQ people, youth, and allies.”

This link on each name is this site’s listing. The [GAP] [↗](#) link at the end of entries links to GLAAD’s listing. With some exceptions, this site does not focus on government officials. Please visit GLAAD to learn more about those individuals.
